pont

This is ground control to Major Tom,
 you've really made the grade
 And the papers want to know whose shirts you wear
 Now it's time to leave the capsule if you dare

This is Major Tom to ground control,
 I'm stepping through the door
 And I'm floating in a most peculiar way
 And the stars look very different today

Here am I sitting in a tin can far above the world
 Planet Earth is blue and there's nothing I can do

Musical

Though I'm past one hundred thousand miles,
 I'm feeling very still
 And I think my spaceship knows which way to go
 Tell my wife I love her very much, she knows

Ground control to Major Tom,
 your circuits dead,
 there's something wrong
 Can you hear me, Major Tom?
 Can you hear me, Major Tom?
 Can you hear me, Major Tom?

Here am I sitting in my tin can far above the moon
 Planet Earth is blue and there's nothing I can do
