1 intro

1 A shot in the dark a past lost in space
1 where do i start the past and the chase
1 you want to be gone like a wolf a predator
1 i felt like a deer in your Lights

2 You love me and i froze in time
2 Hungry for that flesh of mine
2 but i cant compete with that she-wolf
who has brought me to my knees
2 what do you see in those yellow eyes
As I'm falling to pieces

1 I'm falling to pieces
I'm falling to pieces
I'm falling to pieces
I'm falling to pieces

1 Did she lie in wait was i bait to pull you in
1 The thrill of the kill you feel is a sin
1 lay with the wolves alone in sins
1 I thought i was bored of you
