Here is my love  
damn are you feel?  
damn how you do?  
Here is my voice  
twenty times a day

I won't give up  
deep in my heart  
I won't for sure  
you'll be the one  
twenty times a day

give me your love  
give me your heart  
give me your arms  
you will be mine  
twenty times a day  
twenty times a day

here is my love  
here is my pain  
I won't give up  
till you're mine

my love won't fail  
your love's my quest  
I won't give up  
till you're mine

And every time you're fall  
every time you're down  
I 'll be there again

I'm full of doubts  
give me some hope  
give me a sign  
I won't resign  
twenty times a day

I'll be around  
when it gets dark  
when lights came out  
I'll be your girl  
twenty times a day

don't try to fight  
stay where you are  
there is no escape  
you see my face  
twenty times a day  
twenty times a day

Here is my love  
here is my pain  
I won't give up  
till you're mine

my love won't fail  
your love's my quest  
I won't give up  
till you're mine

And every time you're fall  
every time you're down  
I 'll be there again

Every time you're fall  
every time you're down  
I 'll be there again

Here is my love  
here is my pain  
I won't give up  
till you're mine

my love won't fail  
your love's my quest  
I won't give up  
till you're mine

And every time you're fall  
every time you're down  
I 'll be there again

Every time you're fall  
every time you're down  
I 'll be there again
