I can't pretend
To know how you feel
But know that I'm here
Know that I'm real

Say what you want
Or don't talk at all

I'm not gonna let you fall

Reach for my hand
'Cause it's held out for you
My shoulders are small
But you can cry on them too
Everything changes
But one thing is true
Understand
We'll always be more than a band

Yeah yeah yeah yeah

You used to brave the world
All on your own
Now we won't let you go, go it alone

Be who you wanna be
Always stand tall

Not gonna let you fall

refrain

pont:
I never knew you could take me so far
I've always wanted to hope that you are the ones I need
