His little whispers, Love me, love me
That's all I ask for, Love me, love me

He battered his tiny fists to feel something

Wondered what it's like to touch and feel something

Monster, How should I feel ?

Creatures lie here, Looking through the window

That night he caged her, Bruised and broke her
He struggled closer, Then he stole her

Violet wrists and then her ankles. Silent pain
Then he slowly saw their nightmares were his dreams

I will hear their voices
I'm a glass child
I am Hannah's regrets

Monster
How should I feel ?
Turn the sheets down
Murder ears with pillow lace
There's bath tubs
Full of glow flies
Bathe in kerosene
Their words tattooed in his veins
