couplet

When it's black,
Take a little time to hold yourself,
Take a little time to feel around,
Before it's gone.

couplet

You won't let go, but you still keep on falling down.
Remember how you saved me now,
From all of my wrongs.

refrain

And if there's love just feel it,
And if there's life we'll see it.
This is no time to be alone, alone, yeah
I won't let you go.

couplet

Say those words, say those words like there's nothing left.
Close your eyes and you might begin that there is some way out.

couplet

Open up, open up your heart to me now.
Let it all come pouring out,
There's nothing I can't take.

refrain

And if there's love just feel it,
And if there's life we'll see it.
This is no time to be alone, alone, yeah
I won't let you go.
(Won't let you go, won't let you go)

refrain

And if your sky falling,
Just take my hand and hold it.
You don't have to be alone, alone, yeah
I won't let you go.
(Won't let you go, won't let you go)

pont

And if you feel the failing of the light.
And you're too weak to carry on the fight.
And all your friends that you care for have disappeared.
I'll be here now darling, forever, holding on.

refrain

And if there's love just feel it,
And if there's life we'll see it.
This is no time to be alone, alone, yeah
I won't let you go.
(Won't let you go, won't let you go)

refrain

And if your sky falling,
Just take my hand and hold it.
You don't have to be alone, alone, yeah
I won't let you go.
(Won't let you go, won't let you go)

fin

I won't let you go, no I won't let,
I won't let you go, no I won't let,
I won't let you go, no I won't let you go.
