

Part Time Friends - Here We Are

intro

G	D	C
---	---	---

Silence

G	D	C
---	---	---

Ici nos âmes tutoient le ciel

Et nos hymnes éternels

Here we are

G	D	C
---	---	---

L'aube de nos dernières transes

Laisse un vide immense

Here we are

G	D	C
---	---	---

Je t'emmène une dernière fois

suivre cette lumière qui ne s'éteint pas

Here we are

G

Something rise and fall

G	D	C
---	---	---

We thought we never lost control

Here we are

Something rise and fall

G	D	C
---	---	---

We thought we never lost control

Here we are

G	D	C
---	---	---

Silence

G	D	C
---	---	---

Et si les vagues éteignent nos âmes

Dans l'étourdissant vacarme

Here we are

G	D	C
---	---	---

Dansent les milles visages

Dans ce si beau mirage

Here we are

G	D	C
---	---	---

Je t'emmène une dernière fois

suivre cette lumière qui ne s'éteint pas

Here we are

G

Something rise and fall

G	D	C
---	---	---

We thought we never lost control

Here we are

Something rise and fall

G	D	C
---	---	---

We thought we never lost control

Here we are
