Pink Floyd - Comfortably Numb

Hello, is there anybody in there?
Just nod if you can hear me;
is there anyone home?

Come on, now, I hear you re feeling down.
Well, I can ease your pain;
get you on your feet again.

Relax, I need some information first.
Just the basic facts:
can you show me where it hurts?

There is no pain, you are receding.
A distant ships smoke on the horizon.
You are only coming through in waves.
Your lips move but I can t hear what you re saying.

When I was a child I had a fever.
My hands felt just like two balloons.
Now I got that feeling once again;
I can t explain, you would not understand.
This is not how I am.

I have become, comfortably numb.

Ok, (ok)
 just a little pinprick.
 There ll be no more --aaaaahhhhh!
 But you may feel a little sick.

Can you stand up?
 I do believe it s working good.
 That ll keep you going for the show.
 Come on it s time to go.

When I was a child I caught a fleeting glimpse,
 out of the corner of my eye.
 I turned to look but it was gone.
 I cannot put my finger on it now.
 The child is grown, the dream is gone.
