

Red Hot Chili Peppers - Hey ho

When will I know that I really can't go
To the well one more time to decide on

When it's killing me
When will I really see
All that I need to look inside

Come to believe that I better not leave
Before I get my chance to ride

When it's killing me
What do I really need
All that I need to look inside

The more I see the less I know
The more I like to let it go
Deep beneath the cover of another perfect wonder
Where it's so white as snow

Come to decide that the things that I tried
Were in my life just to get high on
When I sit alone come get a little more known
But I need more than myself this time

Hey oh listen what I say oh
I got your
Hey oh listen what I say oh

Privately divided by a world so undecided
And there's nowhere to go

In beneath the cover of another perfect wonder
Where it's so white as snow

Step from the road to the sea to the sky
And I do believe what we rely on
When I lay it on
Come get to play on
All my life to sacrifice

Running through a field where all my tracks will
Be concealed and there is nowhere to go

When to descend to amend for a friend
All the channels that have broken down

Now you bring it up
I'm gonna ring it up
