I see a red door and I want it painted black  
 No colours anymore I want them to turn black  
 I see the girls walk by dressed in their summer clothes  
 I have to turn my head until my darkness goes

I see a line of cars and they're all painted black  
 With flowers and my love both never to come back  
 I see people turn their heads and quickly look away  
 Like a new born baby it just happen every day

I look inside myself and see my heart is black  
 I see my red door and I want it painted black  
 Maybe then I'll fade away and not have to face the facts  
 It's not easy facing up when your whole world is black

No more will my green sea go turn a deeper blue  
 I could not foresee this thing happening to you  
 If I look hard enough into the setting sun  
 My love will laugh with me before the morning comes
