## Still loving you

[//www.youtube.com/watch?v=N3IYwZc2ill](http://www.youtube.com/watch?v=N3IYwZc2ill)

Time, it needs time  
I will be there, I will be there

Love, only love  
I will be there, I will be there

Fight, babe, I'll fight  
I will be there, I will be there

Love, only love  
I will be there, I will be there

If we'd go again  
I would try to change  
Your pride has build a wall,  
Is there really no chance

To win back your love again

Can bring back your love someday

To win back your love again

Can break down the walls someday

All the way from the start  
The things that killed our love  
so strong that I can't get through  
To start once again?
