I see the crystal raindrops fall  
 And the beauty of it all  
 Is when the sun comes shining through

To make those rainbows in my mind  
 When I think of you sometime  
 And I want to spend some time with you

refrain :  
 Just the two of us  
 We can make it if we try  
 Just the two of us  
 Just the two of us  
 Building castles in the sky  
 Just the two of us  
 You and I

We look for love no time for tears  
 Wasted water's all that is  
 And it don't make no flowers grow

Good things might come to those who wait  
 Not for those who wait too late  
 We gotta go for all we know

I hear the crystal raindrops fall  
 On the window down the hall  
 And it becomes the morning dew

And darling when the morning comes  
 And I see the morning sun  
 I want to be the one with you.
