I see the crystal raindrops fall
 And the beauty of it all
 Is when the sun comes shining through

To make those rainbows in my mind
 When I think of you sometime
 And I want to spend some time with you

refrain :
 Just the two of us
 We can make it if we try
 Just the two of us
 Just the two of us
 Building castles in the sky
 Just the two of us
 You and I

We look for love no time for tears
 Wasted water's all that is
 And it don't make no flowers grow

Good things might come to those who wait
 Not for those who wait too late
 We gotta go for all we know

I hear the crystal raindrops fall
 On the window down the hall
 And it becomes the morning dew

And darling when the morning comes
 And I see the morning sun
 I want to be the one with you.
